

COVID-19 PROTECTION PROTOCOL

WHEN BACK AT HOME

Do not touch anything

Take off your shoes

Desinfect your pet's paws after the walk

Immediately take off your clothes and put it into a separate bag **for further washing** at 60 degrees minimum

Leave your bags, wallets, keys, etc. in a box at the entrance

Take a shower or at least thoroughly wash all exposed body parts (hands, arms, face, neck, etc.)

Desinfect your phone with sanitizer **and your glasses** with soap and water

Treat your bags and purchases surfaces with chlorine

Carefully **remove** and toss away your **gloves**, **wash your hands**

Please remember that you cannot avoid **risks** with 100% certainty; however, **you can minimize them**
